

Hi there!
Welcome to the Publix Pharmacy family.

This booklet provides an overview of some important information and frequently asked questions. To best ensure your privacy, we've included some forms that you'll need to complete and return to us using the self-addressed envelope also included. These forms let us bill your insurance company.

They also help us provide accurate account statements, assist in processing payments, and resolve your problems and concerns quickly. The sooner we get these, the sooner we can start making your life easier.

Give us a call at **1.855.797.8254** or visit our website at publix.com/specialty if we can help with anything at all.
